3 From the Finance Offr
No 780/235/MRS of 23-8-21

Forwards duly verified the proforma statement referred to above & offers certain remarks.

The extra cost has been calculated by the chief Asstt of Mines as Rs 1038 per annum calculated on the basis of the pay now drawn by each official instead of on the basis of cost of progressive appointments according to which the cost will be Rs 918/- per annum, there will be a saving of Rs 82/- in the allotment given to his dept.

A clerk on 30-4-50 now drawing Rs 30/- is proposed to be given Rs 37/- Similarly another clerk on 20-2-30 drawing Rs 20/- is proposed to be given Rs 27/- The proposal to convert the progressive appoints into fixed pay appointments acts detrimentally in the case of these two clerks, markedly so in the 1st case.

Submitted for orders.

SIR,

With reference to para 4 of Government Order No.Fl.C.1-50/ S & A 23-20-59 dated 15th June 1921 regarding the revision of High Price Allowances, I have the honour to state that the Comptroller has intimated that a grant of Rs 1000/- is available during the current year to give suitable increases of pay to the two Establishments (Office of the Chief Inspector of Mines in Mysore & Office of the Inspector of Explosives in Mysore) in lieu of these allowances.

Under Government Order No. Fl. 449-98/S.A. 23-20-1, dated Bangalore 19th July 1920, a yearly sum of Rs 1692/- is being paid as consolidated allowances to these two establishments and this sum, when reduced in the ratio of 26 to 16, amounts to Rs 1041/- and not Rs 1000/-. This further reduction of Rs 41/- from the legitimate grant due has made it extremely difficult for me to satisfactorily allocate the grant amongst the clerical and subordinate staff. After a careful consideration of all the circumstances, I have framed my proposals for the revision of the establishments as directed in the above Government Order and have forwarded the same to the Comptroller for verification and submission to Government. Copy of the same is enclosed herein for ready reference.

It will be observed that the proposition statement exceeds the budget grant by a small amount, viz: Rs 38/-, for which the sanction

sanction of Government is earnestly solicited, more especially as the proportionate grant - as explained above - should be Rs. 1041/-. This amount can be met out of the savings 7 (i) Supervision of Mines, (ii) Inspection of Mines and Explosives, Salaries to Officers.

I have not made any provision for the 2 Probationers now under training in the Department, as I consider the terms of their employment during this period are on a different basis from those who are in the permanent employment of Government.

I have the honour to be,

Sir,

Your most obedient servant,

L. Bocquet.

SIR,

I have the honour to forward herewith duly verified the Proposition Statements in duplicate relating to the revision of the Establishments of the Chief Inspector of Mines and Explosives received from that officer with the observations noted in the last column of the statement. The Chief Inspector has taken the pay which each official is now drawing as his basis in fixing the scale of pay in the Proposition and the existing progressive scale of pay is thus counted into one on fixed pay of odd amounts like Rs 81, 59, 27 or 37 etc as the pay of the several appointments.

2. The proposals of the Chief Inspector involve a net permanent increase of Rs 73½ per mensem or Rs.882 per annum and a temporary increase of Rs.3/- per mensem or Rs.36/- per annum thus resulting in a saving of Rs.82/- in the allotment given to his Department. The extra cost is however calculated by the Chief Inspector as Rs 1,038/- calculated on the basis of the pay now drawn by each official instead of on the basis of cost of progressive appointments.
